WINTER

- December 9- Christmas Party
- January 6- Bowling
- February 10- Snow Tubing

STUDENT MINISTRY UPDATES

The Student Ministries team sends out weekly emails with updates on events, news, and ways you can plug in and connect. If you would like to be on the email list please email Drew Hood at the address on the back of the brochure.

WHAT WE DO

CONNECT

Middle school CONNECT meets at 9:45 on Sunday mornings in the Loft. Students participate in bible study and community as we work through the Gospel Project, providing students ways to engage scripture and apply it to their lives.

QUEST

Weekly bible study for middle school students meets every Sunday from 6:00-7:30pm. We meet together for games, bible study, and food. This is a great way to get connected and be a part of our student ministry community.

DISCIPLES MAKING DISCIPLES

RELEVANT INFORMATION

A 2018-2019 student ministries medical, permission, and release form is required for participation in all student ministry events. You can find the form on the student ministry tab at www.sycamorechurch.org, or on the informational wall in the SPC Family Room.

FRIENDS ARE WELCOME

We encourage you to bring friends to participate in all of our events and Bible studies, however, if an event leaves the church property, or a friend visits more than three times they will need a release form.
