

Deacon of the Month

The Deacon of the Month is a conduit of information between the Board of Deacons and the congregation. Monthly representatives make themselves available at the Welcome Center before and after each service to answer questions, field inquiries and provide information about all pastoral care opportunities available. Some inquiries from SPC members may require the assistance of a Pastor who will be notified of the member inquiry.

The Deacon of the Month arranges for 1) dispensing of the altar flowers in the event the donor(s) do not have a plan for the flower arrangement, and 2) delivering a rose and a pair of baby booties provided by the Knitting Ministry to parents of a new born.

Names of the Deacon of the Month are published in the announcements, the monthly bulletin and the email blast.
