

NAME		
FIRST	LAST	COMMENT
Ellen	Gagliardi	Will the heating and cooling problems in the preschool wing be addressed?
Laura	Alexoff	GREAT JOB! Showers, PLEASE for all overnight guests. Student Ministries especially.
Mary Ann	Hoffman	Storage, storage, storage - for kitchen and new Harper Hall (tables & chairs)
Lynn	Family	Exciting! We are on the move!
Madi	??	♥ it!
Shelby	??	Do it! When would you start?
Nancy	Mack	Move library to attach to back of RR's. Library space could then be an outdoor patio for visiting, reading, etc...and enjoy the lake view (which we can't do now)
Jim	Hoffman	I believe there is inadequate storage (for tables/chairs/sound equipment) for the gathering room.
Michelle	Reece	Love the gym! Community outreach - basketball, volleyball groups in/out church.
Mary Ann	Hoffman	Ned more than 1 entrance into new narthex.
Katie	Pardue	Please make sure the youth and kulti-purpose facility are a high priority, not a final phase.
Katina	Peters	Keep/relocate the ampitheatre.
Susie	Mahan	Growth is a good thing!
Lois	Borisch	What about putting tables where the library is situated that you could have your coffee there after service and walk outside onto the patio by the water during good weather. Move the coffee and (<i>word unintelligible</i>) and move library south of where it is now.
Vivian	Morgan	Too many meeting rooms?
Nancy	Mack	Check traffic flow patterns (how people with use the spaces) with group types (ex..parents, staff, etc...) to create a traffic flow chart. This develops a better flow.
Susan	Johnstal	It seems that memnbership[projections may be based on the size of ourmembership when Larry arrived. Our numbers were <u>very</u> low at that time. How does or membership projections compare to our peak membership? Where will we get more members when the area population is shrinking?
Michelle	Reece	Craft Fellowship room?

Lowell	Bowie	Great! When do you start digging?
Tom	Deyo	Good work by FDC!!
Bill	Kern	Front entrance to sanctuary needs to have multiple ways in and out . Currently, the long lines to leave church are a big problem.
Vivian	Morgan	1. Long walk to sanctuary, 2. Could this be done in phases as funds become available?
Michelle & Dan	Reece	Thanks for thinking of the youth!
Don	Allard	Great job!
Vivian	Morgan	12 million - How realistic? Lots of money where coming from.
Tom	Deyo	Access from Montgomery Road? Is state planning a cut in the median allowing entrance from north and south?
Lisa	Wade	Love it! Gives so much potential! Thx for all the work.
Alicia	??	Seven Gables is very important to grades 7-12. We don't want to have that priviledge taken away and be thrwon int o the basement, even if it is more space.
Tom	Deyo	Showers for th IHN guests?
Matt	??	Do not tear down Seven Gables. Agreed! Emma.
signed but uninte ??		This is sweet. Thanks for thinking of the youth program.
??	Weber	Coffee in front of restrooms not a good idea.
Jim	Hunter	Move the library. Use the water feature to its full advantage.
Elizabeth	Reece	The larger kitchen should be by the service drive. Move it over to the left?
Dan	Reece	Back door to the choir rooms from the parking lot!
Melanie	Rathman	Consider a prayer room - one (<i>word unintelligible</i>) meet after service there for specific prayer requests
Paige	Hagerty	It is awesome. It is so big. I like it.
Richard	Morgan	Majority of churches have lowering attend. We are a small % that is growing. This is a very aggressive plan. What are Dr. Kent's plans for 5-8 & 10 years?
Melanie	Rathman	Welcome center room with counter (maybe next to Library) stock items and have volunteers

staff on Sunday. If free standing, may block incoming traffic flow.

Melanie Rathman Covered drop off area by sanctuary? Wonderful plan!

Nancy Kasner Move the kitchen closer to the exit. Needed for food and trash access.

Jerrie Anderson Please plan for a stained glass window in the new sanctuary.

Alicia ?? Do we really have enough people for three sanctuaries? Enough time?

Vivian Morgan Can it be done in stages as money becomes available?

(name unintelligible) In my opinion, it is too big and too commercial.

Ceil Allard Bell room behind choir room may make it difficult to move the bell tables into sanc and back.

Mandy Martinson The sanctuary is too big, too modern. The character o the church is lost in this plan.

Vivian Morgan 12 million is a lot. Is the cost of borrowing included? What is time frame for paying off the debt? Has the committee considered that the debt burden will be too much for members or potential members?

Vivian Morgan How realistic is sustained and significant growth to continue? Could SPC have reached its membership level?

Vivian Morgan Is there as estimate on the value of 7 Gables? What if a bar moved in?

Pat Kern Currently, how often are qorship services at capacity? 8:45? 9:45 and 10:45?

Pat Kern How much increase have we had in 1 yr back? 2 yrs back? 3 yrs back? 600 to 1240 in 5 years?

Pat Kern Is attendance leveling off? How many are joining and giving?

Pat Kern Multi purpose large addition can wait till later after results of change are in.

Pat Kern Is adult ed currently at room capacity - on suns? Dur. Week?

Melinda Skinner I think the plan is a very good one. Request the main kitchen be designed for easier cleaning of dishes, etc.
